He says that belief is one of the reasons for his call for the wealthy to pay more taxes.

◆ Longtime boxing trainer Angelo Dundee has died in California at the age of 90. He trained 15 world champions, including Sugar Ray Leonard, George Foreman, and Muhammad Ali.

◆ A spoonful of sugar may make the medicine go down, but a new study says it also makes blood pressure and cholesterol go up. Researchers at the University of California say sugar and other sweeteners are so toxic to the body that they should be regulated as strictly as alcohol, and foods containing sugar should be taxed.
