### ◆ SAFETY TIPS FROM ATHENS POLICE

Now that spring is here, the Athens Police Department has some tips about home improvement and repairs. Police say older homeowners are popular targets of fraudulent home repair schemes. Popular schemes involve someone offering to seal your asphalt driveway with left over material from a nearby job or someone who says he noticed problems with your gutters. Police warn the materials used are often inferior and if they ask for an advance payment to buy the materials, you may never see them again. APD says a couple on Central Ave. recently were swindled into paying \$7,000 to a crew posing as a paving company with leftover asphalt.
