Prisoner Pleads Guilty to Murder

The TBI says a federal prisoner, Charles Kaczmarczyk, age 59, (pictured below) has pleaded guilty to the murder of Robert J. McClancy of Tellico Plains. McClancy was found dead, sitting in a recliner in his home in 2006, with a pistol in one hand and a bottle of pills in the other hand. During the investigation of McClancy's death, the TBI discovered that McClancy's "friend" Kaczmarczyk and McClancy's wife, Martha Ann McClancy, conspired to kill her husband Robert, by causing him to overdose on prescription medication. Kaczmarczyk admitted that he and Martha McClancy staged the scene to make it appear to be a suicide. Martha Ann McClancy is now Martha Ann Kaczmarczyk and is married to Charles. The Monroe County grand jury indicted Charles Kaczmarczyk on August 7th, 2013. He pleaded guilty yesterday in court.
