◆ ARSON SUSPECT KILLED BY ETOWAH POLICE

A police shootout in Etowah has resulted in the death of a Robertson County man who was wanted in connection with a deadly house fire this past weekend. The shootout occurred in the parking lot of the Bi-Lo around 8 p.m. Monday. It started when an Etowah officer pulled over a pickup truck for reckless driving after the pickup struck the Etowah Police Car. The driver of the truck, David Greenwood, (in photo on right) began shooting. Officers returned fire, hitting Greenwood. Greenwood was taken to UT Hospital where he later died. Etowah's City Manager Matthew Gravley says two Etowah officers and an officer with the Governor's Highway Safety Office were involved in the incident. He says the officers acted properly. He says they were fired upon and they had to fire back. The TBI was called in to investigate. The Robertson County Sheriff's Office had named Greenwood as a person of interest in connection with a house fire this past Sunday. His girlfriend was found dead inside the burned home and he was the last person known to see her alive.

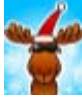

NATIONAL & WORLD NEWS

◆ Investigators looking into a deadly New York City train derailment of The Metro-North Railroad commuter train say no anomalies have been found with the train's brake system. The train was traveling at 82 mph as it approached a 30 mph zone and jumped the tracks along a sharp curve, killing four passengers. Investigators haven't found any evidence of brake trouble during the train's nine previous stops and no problems with the track signals.

⇒ Etowah Chamber Executive Durrant Tullock tells the MORNING FAX that he had just pulled in the Bi-Lo Parking Lot and saw much of the shooting incident. Tullock sent us this photo he snapped of Greenwood's pickup truck. Tullock says that according to his recollection, the last time an incident of this nature occurred in Etowah was in 1983.
