STATE & LOCAL NEWS

◆ IT'S CLEAN UP WEEK IN ATHENS

The annual Clean Up Week in the City of Athens is taking place this week. The Public Works Department will pick up items placed at curbside (Not in the road). All city streets will be covered at least once during the week. Items that will be picked up include brush, furniture, bagged leaves, tires appliances, yard sale junk, and limited amounts of building materials as long as it's no larger than one pick-up truck load. Roofing shingles and siding will not be accepted. Wheels and tire rims must be separated from each other. Compressors and coolant lines must be removed from appliances.

◆ POWER RATES TO EDGE DOWN IN MAY

Local electric power rates for May will drop slightly compared to April as a result of a lower monthly fuel charge. AUB's Wayne Scarbrough says that May is considered to be a "transition" billing month in TVA's rate scheme. Scarbrough says spring is typically a period of lower than average energy use and therefore lower monthly energy bills.
