◆ FIRE HITS HOMELESS CAMP

A fire hit a homeless camp in the woods behind the IGA Store on Decatur Pike Thursday morning. The Athens Fire Department received calls from people who spotted heavy dark smoke behind the store. They also reported seeing homeless people carrying their belongings running out of the woods. Firefighters quickly got the fire out, but not before two tents were destroyed. There were no injuries. - Castings are non-toxic and safe for exposure to children & pets.
- They will not burn plants in any concentration.
- Worm castings add an abundance of nutrients full of trace minerals and essential enzymes that naturally improve soil quality like a sustained-release plant food.
- Plants use castings to fight off fungal disease. Their high concentration of beneficial bacteria and microbes work with various elements of the soil to resist plant decay.
