Suiting Up to Count the Votes

The McMinn County Election Commission took extra precautions when counting the absentee and mail-in ballots last week. The photo at right shows Stanley Blair, an election worker, wearing a haz-mat suit. The reason for the extra precautions was due to a number of votes coming from senior living facilities and nursing homes.

MONDAY'S MARKET REPORT: Markets were higher across the board, with economically sensitive and cyclical investments seeing the largest boost. Oil prices had their best day in six months. International equities reflect the positive implications of a viable vaccine for global economic activity. The Dow Jones Industrial Average was up 834.57 to 29,157.97. The Standard & Poor's 500 Index was up 41.016 to 3,550.50, and the NASDAQ Composite Index was down 181.05 points to 11,713.78.
