Fire Damages Vacant Home Near Etowah

A fire broke out in a vacant home on County Road 812 Sunday afternoon, prompting a multi-agency response and causing significant smoke and water damage.

Neighbors reported seeing smoke coming from the residence around 1:00 p.m. Firefighters arrived to find visible flames and smoke. The homeowner had reportedly been at the property earlier that morning around 10:30 a.m. and noticed nothing unusual.

The fire began in the bathroom, but damage extended throughout the home due to smoke and water. Crews from Etowah City Fire, Etowah Rural Fire, Englewood Rural Fire, Claxton Fire, EUB, and the McMinn County Sheriff's Department responded to the scene. Englewood Rural Fire Chief Billy Roach led the response.

Cleveland State Library Renovations Begin This Month

Cleveland State Community College will begin renovations to its library this month, with work expected to last approximately six months. The project will modernize the facility with updated fixtures, improved technical and electrical systems, and a redesigned layout to better support both quiet study and group collaboration.

Students and community members will continue to have access to research assistance, circulation services, student computer stations, a print kiosk, student ID card services, and quiet study areas during the transition.

Summer library hours are Monday through Thursday from 8 a.m. to 5 p.m., and Friday from 8 a.m. to 4:30 p.m. For more information, visit clevelandstatecc.libanswers.com, or email library@clevelandstatecc.edu, or call (423) 473-2277.
